

PREPROPOSAL CONFERENCE - SOLICITATION # QTA0016GBA0002

The U.S. General Services Administration's **Alliant 2 Small Business GWAC** (A2SB) Procurement Contracting Officer (PCO), Greg Byrd, and key members of the A2SB Acquisition Team will be hosting a pre-proposal conference on Tuesday **12 July 2016** in Washington, D.C. Registration for one of the two sessions is open as of 29 June 2016. Although the notice states that registration is open until 6 July 2016, should all available seats be taken prior to that date, registration will close sooner than 6 July 2016. Detailed information on registration and attendance is provided in the internet links below.

Register **ONLY** if you are certain you can attend the conference. Do not register on behalf of others from your organization/company unless the registered attendee is positive they will attend. Once an individual name is registered, there can be no changes and no name substitutions requested or honored thereafter. Entry into all sessions is exclusively reserved for registered attendees.

So, please note:

- (1) Register early.
- (2) Do NOT register any individual names if attendance is not absolutely certain.
- (3) Register for only **ONE** of the two sessions, not both, as the sessions are the same.
- (4) Be aware before registering that changes/name substitutions are not possible. No walk-ins or substitutes will be accepted on the day of the event.
- (5) These two sessions on 12 July 2016 are the **ONLY** opportunities for interested parties to attend an A2SB pre-proposal conference. No additional pre-proposal meetings in any forum or other media for A2SB will be held.

This conference is open for all interested parties **exclusively** for A2SB, the small business set-aside contract. The conference is NOT for interested parties of the Alliant 2 Unrestricted GWAC (A2), the unrestricted contract.

Please note that the PCO for the A2 Unrestricted contract will be hosting a separate pre-proposal conference, one day later than A2SB, on Wednesday **13 July 2016**, in Washington, D.C. There is a separate FBO notice posted for the A2 pre-proposal conference, Solicitation # QTA0016JCA0003.

Registration can be accomplished through one of the links below.
